

Ayodeji E. Oluleye is a Professor in the University of Ibadan's Department of Industrial and Production Engineering. He earned B.Sc (Hons.) in Agricultural Engineering from University of Ibadan, Nigeria. Master in Agricultural Machinery Engineering, from Cranfield Institute of Technology, England and Ph.D in Industrial Engineering, University of Ibadan. His research interest includes production scheduling/operations management (optimization), and algorithm design, engineering economics amongst, others. He has published extensively in prestigious journals. He is a Registered Engineer (COREN) and a Member of the Nigeria Society of Engineers (NSE), and a Fellow of the Nigerian Institute of Industrial Engineering (NIIE).

E.O. Oyetunji is currently a Professor of Industrial and Production Engineering in the Department of Mechanical Engineering, Faculty of Engineering, Lagos State University, Epe Campus, Lagos, Nigeria. He graduated with a BSc (Hons) in Electrical Engineering from the University of Ilorin, Ilorin, Nigeria. He has an MSc and PhD in Industrial Engineering from the University of Ibadan, Ibadan, Nigeria. He has attended numerous national and international conferences. His research interest includes production scheduling/operations management (optimization), and algorithm design amongst others. He has published extensively in prestigious local and international journals. He is a Registered Engineer (COREN) and a Member of the following professional bodies: Nigeria Society of Engineers (NSE), Nigeria Institute of Industrial Engineering (NIIE).
