

Totan Garai is an Assistant Professor in Department of Mathematics, Silda Chandra Sekhar College, Jhargram, West Bengal, India. He earned post graduation in Mathematics from IIT Madras and PhD in Mathematics from Indian Institute of Engineering Science and Technology. He has qualified in National Eligibility Test (NET-2014). He has been teaching Mathematics both at undergraduate and postgraduate level. He has published many research papers in esteemed international journals like Journal of Intelligent & Fuzzy Systems, Mathematics & Statistics, Journal of Industrial and Production Engineering, Annals of Data Science, Granular Computing, The Journal of Analysis, etc.

Tapan Kumar Roy is a Professor in Department of Mathematics, Indian Institute of Engineering Science and Technology, Shibpur. His research areas are fuzzy and intuitionistic fuzzy set theory, inventory, and transportation, and reliability optimization, portfolio optimization, fuzzy and stochastic optimization. He has published in esteemed international journals like EJOR, AMM, Applied soft computing, IJUFKS, IJCSM, JOS, IJOR, IJAOM, ICJA, OPESARCH etc.
