## **Biographies**

**Abdul Talib Bon** is a professor of Production and Operations Management in the Faculty of Technology Management and Business at the Universiti Tun Hussein Onn Malaysia since 1999. He has a PhD in Computer Science, which he obtained from the Universite de La Rochelle, France in the year 2008. His doctoral thesis was on topic Process Quality Improvement on Beltline Moulding Manufacturing. He studied Business Administration in the Universiti Kebangsaan Malaysia for which he was awarded the MBA in the year 1998. He’s bachelor degree and diploma in Mechanical Engineering which his obtained from the Universiti Teknologi Malaysia. He received his postgraduate certificate in Mechatronics and Robotics from Carlisle, United Kingdom in 1997. He had published more 150 International Proceedings and International Journals and 8 books. He is a member of MSORSM, IIF, IEOM, IIE, INFORMS, TAM and MIM.

**Yuary Farradia** is currently PhD candidate in technology management in the Faculty of Technology Management and Business at the Universiti Tun Hussein Onn Malaysia since October 2018. Her master degree in natural resources economics has been obtained from Universiti Putra Malaysia (UPM) in the year 1993-1995. Her bachelor degree in Agriculture in field of fisheries has been obtained from Universitas Padjadjaran, Bandung Indonesia in 1991. Currently she is a lecture at various universities in both Jakarta and Bogor, Indonesia where she teaches production and management operation, strategic management operation, global marketing, entrepreneurship, service management, organization behavior, human resource development plan at both undergraduate and postgraduate level.

**Hari Muharam** is currently a senior lecturer at Universitas Pakuan, Bogor Indonesia in the faculty of both economics and post graduate program. His PhD in marketing and magister management have been obtained from YAI, Jakarta Indonesia. His bachelor degree in management has been obtained from Universitas Pakuan, Bogor Indonesia. Currently he is a lecture where he teaches in filled of production and management, marketing, human resource, and research methodology at both undergraduate and postgraduate level.
