#### BIOGRAPHY

**Pornwasin Sirisawat** is a doctoral student in the department of industrial engineering, faculty of engineering at King Mongkut’s Institute of Technology Ladkrabang, Thailand. His research interests focus on logistics and supply chain management.

**Tossapol Kiatcharoenpol** is an Associate Professor and lecturer at the department of industrial engineering, faculty of engineering, King Mongkut’s Institute of Technology Ladkrabang, Thailand.

**Ninlawan Choomrit** is an Associate Professor and lecturer at the department of industrial engineering, faculty of engineering, Srinakharinwirot University, Thailand.

**Pilada Wangphanich** is an Assistant Professor and lecturer at the department of industrial engineering, faculty of engineering, Srinakharinwirot University, Thailand.
