BIOGRAPHY

Summyia Qamar is a full time research scholar in Industrial Engineering Department at University of Engineering and Technology, Taxila, Pakistan. She has earned B.S. in Industrial Engineering from University of Engineering and Technology, Taxila, Pakistan in 2015

Dr.Haris Aziz is teaching as an assistant professor in Industrial Engineering Department at University of Engineering and Technology, Taxila, Pakistan. He has completed his PhD in Industrial and Manufacturing Engineering from Asian Institute of Technology, Thailand 2013, in Industrial Engineering from University of Engineering and Technology, Taxila, Pakistan
