BIOGRAPHY

Wasawat Nakkiew is a lecturer in the department of Industrial Engineering, Faculty of Engineering, Chiang Mai University. He earned a B.S. in Industrial Engineering and Management from Rensselaer Polytechnic Institute, USA, a Master degree and a Ph.D. degree in Industrial Engineering from Purdue University, USA. His research interest includes material processing simulation, material process improvement, and mechanical surface treatment.

Pattarawadee Poolperm is currently a graduate student in Industrial Engineering at the department of Industrial Engineering, Faculty of Engineering, Chiang Mai University. She earned her B.Eng. in Industrial Engineering from the department of Industrial Engineering, Chiang Mai University.
