#### BIOGRAPHY

**Masoud Rahiminezhad Galankashi** received his B.Sc and M.Sc in the field of industrial engineering from QIAU and UTM, respectively. He is currently working on his doctorate degree at UTM in the field of industrial engineering focusing on Supply Chain Management (SCM). His research interests are SCM, simulation, MCDM/MADM, mathematical modelling, lean manufacturing and DOE.

**Mohammad Hisjam** is an assistant professor of industrial engineering. His major research area is supply chain management.

**Syed Ahmad helmi** is an assistant professor of industrial engineering. His major research area is system dynamic.
