AUTHORS' BIOGRAPHY

Tariku Achamyeleh is currently a lecturer at the Department of Mechanical Engineering and a coordinator of University-Industry Linkage Office for Faculty of Technology, Debre Tabor University, Debre Tabor, Ethiopia. He received his Bachelor of Science and Master of Science degree from Mekelle University in Industrial Engineering and Product Design and Development, respectively. He has taught courses like Computer Aided Design, Materials Handling Equipment, Total Quality Management, Strength of Materials, Computational Methods with Matlab, and etc. in the undergraduate degree program.

Dr. Mulu Bayray is currently an Assistant Professor at the School of Mechanical and Industrial Engineering, EiT-M, Mekelle University, Mekelle, Ethiopia. He received his Ph.D. in Mechanical Engineering (Dr.techn.) in April 2002, Vienna University of Technology, Austria.
