#### BIOGRAPHY

**Fransisca Dini Ariyanti** is a lecturer in the Industrial Engineering Department at Bina Nusantara University, Jakarta, Indonesia. She earned her Bachelor of Chemical Engineering from Diponegoro University, Indonesia and Master of Industrial Engineering from University of Indonesia, Indonesia. She has taught supply chain-related courses and published conference and journal papers. Her research interests include supply chain management, performance management, and quality management.

**Aditya Andika** is a lecturer in the Industrial Engineering Department at Bina Nusantara University, Jakarta, Indonesia. He earned his Bachelor of Industrial Engineering from Trisakti University, Indonesia and Master of Business Administration from Gadjah Mada University, Indonesia. He has taught management-related courses and published conference papers. His research interests include knowledge management, performance management, and supply chain management.
