BIOGRAPHY

Rozlina Md Sirat is an Industrial Engineering lecturer at Department of Materials, Manufacturing and Industrial Engineering, Faculty of Mechanical Engineering, Universiti Teknologi Malaysia, Skudai, Johor. She is currently completing her PhD in safety culture and ergonomics.

Jafri Rohani is a Senior Quality and Statistical Engineering Lecturer. Dr Jafri is also Head of the Industrial Engineering Programme at the Department of Materials, Industrial and Manufacturing Engineering, Faculty of Mechanical Engineering, Universiti Teknologi Malaysia, Skudai, Johor. Currently, he is the President of Johor Cost and Quality Engineers Society. He is a member of the American Society for Quality (ASQ) and Human Factor Society of Malaysia.

He holds B. Sc (Industrial Engineering), B. Sc (Mathematical Statistics) from New Mexico State University, USA and holds a M. Sc. (Industrial and Systems Engineering) from the Ohio University, USA. He obtained his Ph.D in Statistical Process Control at the Universiti Teknologi Malaysia, Skudai, Johor.

Awaluddin Mohamed Shaharoun is a Dean of UTM Razak School of Engineering and Advanced Technology. His main research interest currently is in Remanufacturing and Manufacturing System Integration. He has published over 60 papers in international journals and conferences. Prof Awaluddin has been called on numerous occasions to serve as consultant in many locals and international organizations in the area of innovations, strategic management and human capital development.

Habibah Haron is a senior lecturer at the Department of Engineering and Advanced Technology UTM. Currently, Dr Habibah is the Masters Project Coordinator for Razak School and also Engineering Education Programme Coordinator for UTM KL Campus. She is also a committee member of the Woman Engineering Section of Institution of Engineers Malaysia (IEM-WE) since 2005.
