## BIOGRAPHY

**Sebonkile Thaba** is a Senior Tutor and Masters student at University of Johannesburg (UJ), Faculty of Engineering and the Built Environment (FEBE). She holds a BTech degree in Management Services. Sebonkile Thaba presented in 3 international conferences and published 11 conference papers.

**Charles Mbohwa** is Vice-Dean: Postgraduate Studies, Research and Innovation at the University of Johannesburg's (UJ) Faculty of Engineering and the Built Environment (FEBE). He assumed duty on 1 July 2014 and also serves as a Professor in the Department of Quality and Operations Management, which forms part of FEBE's School of Mechanical and Industrial Engineering. As an established researcher and professor in the field of sustainability engineering and energy, his specializations include sustainable engineering, energy systems, life cycle assessment and bio-energy/fuel feasibility and sustainability with general research interests in renewable energies and sustainability issues. Professor Mbohwa has presented at numerous conferences and published more than 150 papers in peer-reviewed journals, 6 book chapters and one book. He holds a Masters in Operations Management and Manufacturing Systems from the University of Nottingham and completed his doctoral studies at Tokyo Metropolitan Institute of Technology in Japan. Prof Mbohwa was a Fulbright Scholar visiting the Supply Chain and Logistics Institute at the School of Industrial and Systems Engineering, Georgia Institute of Technology. He is a fellow of the Zimbabwean Institution of Engineers and is a registered mechanical engineer with the Engineering Council of Zimbabwe.
