BIOGRAPHY

Putu Mandiartha is currently a lecturer at Universiti Malaysia Pahang, Kuantan, Malaysia. He obtained his Master of Engineering Science degree in Engineering Project Management and PhD in Infrastructure Engineering both from the University of Melbourne in 2007 and 2012, respectively. Prior to continuing his post-graduate programs, he has 5 years working experience as site engineer and proposal engineer in some construction projects in some areas in Indonesia both in privately funded projects as well as government projects.

A/Prof Colin F. Duffield is the Academic Coordinator for postgraduate Engineering Project Management courses within the Department of Infrastructure Engineering at The University of Melbourne, Australia. He brings a blend of industry experience to his current academic roles and consistently builds on his twenty-five years' experience in the procurement and management of building and infrastructure assets through his active involvement in industry sponsored research and consultancies.
