Biography

Muhammad Zulfiqar is a student of under graduate in Industrial Engineering and Management at Mehran University of Engineering and Technology, Jamshoro, Pakistan. He has submitted his thesis project for partial fulfilment of the requirement for the degree of Bachelors of Industrial Engineering and Management. He is a member of Industrial Student organization (ISO), MUET chapter. He is first author of this research paper.

Jazib Ahmed Zai, Zahid Ali Abbasi and Mohsin Shaikh are students of under graduate in Industrial Engineering and Management at Mehran University of Engineering and Technology, Jamshoro, Pakistan. They have submitted their thesis project for partial fulfilment of the requirement for the degree of Bachelors of Industrial Engineering and Management. They are co-authors of this research paper.
