BIOGRAPHY

Samuel T.M. is a Senior Lecturer in the Department of Agricultural and Mechanical Engineering, College of Engineering and Environmental Studies, Ibogun Campus of Olabisi Onabanjo University in Ogun State Nigeria. He obtained his B.Sc (Hons) in Agricultural Engineering, MSc in Industrial and Production Engineering, Ph.D. in Agricultural and Environmental Engineering all from University of Ibadan. He started his professional career in the industry before joining academic in 2003 as a Lecturer

Adetifa B.O. is a lecturer in th Department of Agricultural and Mechanical Engineering, College of Engineering and Environmental Studies, Ibogun Campus of Olabisi Onabanjo University in Ogun State, Nigeria. He obtained his B.Sc. (first class honours) in Agricultural Engineering from Olabisi Onabanjo University in 2009. He obtained his M.Sc. in Agricultural and Environmental Engineering (Crop Processing and Storage Option) from the University of Ibadan.

Salami I.O. is an Associate Professor of Industrial Engineering in Federal University of Technology Abeokuta Nigeria. He obtained BSc. in Mechanical Engineering at Obafemi Awolowo University, Ile-Ife in 1990; MSc and Ph.D. in Industrial and Production Engineering at University of Ibadan in 2000 and 2006 respectively. He started his professional career in the industry before he decided to join the academic community as a Lecturer in 2007.

Aremu O.O. is a research engineer in Federal Institute of Industrial Research Oshodi Lagos Nigeria. He obtained his B.Sc. and M.Sc in Mechanical Engineering from University of Ilorin. His area of specialization is Machine Design and Autocad specialist.

Onu L.I. is a research engineer in Federal Institute of Industrial Research Oshodi Lagos Nigeria. His area of specialization is

Adegbite S.E. is a research engineer in Federal Institute of Industrial Research Oshodi Lagos Nigeria. His area of specialization is Agricultural Engineering

Olokose A.A. is a research engineer in Federal Institute of Industrial Research Oshodi Lagos Nigeria. His area of specialization is Food Science Engineering. She bagged her B.Sc in Ladoke Akintola University Ogbomoso; Her M.Sc in University of Lagos
