

Keynote Speakers

October 25 (Wednesday)

8:00 – 8:10, Wednesday **WELCOME ADDRESS - Salon Esmeralda I and II**

José Manuel Restrepo

President
University of Rosario
Bogota, Colombia

José Manuel Restrepo is the President of Universidad del Rosario in Bogota, Colombia. He is an Economist from the same University, where he also obtained a graduate certificate in Private Finance and Senior Management. He holds a Master's degree in Economics from the London School of Economics and a PhD in Management of Higher Education Institutions from the University of Bath.

Dr. Restrepo previously worked as President of CESA (a Business School based in Bogota) and was part of the Financial Planning Department at FONADE (Financial Fund for Development Plans in Colombia). He was member of the National Council for the Quality Assurance of Higher Education at the Colombian National Ministry of Education. His proven experience has allowed him to perform as a business consultant, as well as an advisor in quality assurance and accreditation of higher education institutions.

He is the author of several books, merit dissertations, research papers and academic articles published both nationally and internationally. He was recognized as one of the outstanding young executives of the country in 2003 by The Colombian Junior Chamber and was one of the 6 winners of the CEO of the Future contest, held in 2005 by Dinero magazine, Korn Ferry International and the Universidad de los Andes MBA program.

8:10 – 8:20, Wednesday **WELCOME ADDRESS - Salon Esmeralda I and II**

Alejandro Cheyne

Dean School of Business
University of Rosario
Bogota, Colombia

José Alejandro Cheyne G. es considerado como uno de los catedráticos más importantes en los programas de Educación Superior en Colombia. Su firme deseo por compartir desde muy joven sus experiencias de aprendizaje teórico – prácticas, lo han hecho merecedor de diferentes reconocimientos como Colegial de Número de la Universidad del Rosario, The Outstanding Young People de la Cámara Junior Internacional Colombia y Profesor destacado en programas de

postgrado entre otros.

Su gran esfuerzo por fortalecer el pensamiento complejo en sus alumnos con su dimensión física, intelectual y espiritual como respuesta a las contradicciones de la hipermodernidad, se refleja no solo en el desarrollo de competencias nucleares sino también en resultados aún más nobles cuando logra trascender en su proyecto de vida.

El deseo permanente por avanzar en su proceso de formación académica lo han llevado a cumplir satisfactoriamente su pregrado en economía, especialización en docencia universitaria, especialización en administración de empresas, estudios de alta gerencia internacional y recientemente su doctorado en pedagogía en donde el emprendimiento se ha convertido en el centro de su labor investigativa.
