

- Modifying the layout for more convenience of transportation

## **Acknowledgment**

This project consumed a huge amount of effort and dedication; however, it would not have been possible without the support of many individuals. I would like to express my gratitude towards Mr. Sardar Asif Khan for his encouragement and providing me with the opportunity to embark on this project. I also wish to sincerely thank Dr. Hasti Eiliat, Sean Sharivari, and Keyhan Borooshan for their kind help in every stage of this project.
