

Donation Form

The IEOM Society is now accepting donations. As a member of our international community of industrial engineering and operations management professionals, we are committed to making our organization available to those who would like to participate and learn from our many conferences and events. Unfortunately, many individuals do not have the financial resources available to participate. Your donation will enable the IEOM Society to provide the following opportunities:

- Student Scholarship
- Student Competitions
- Student Registration
- Student Travel to IEOM Conferences
- IEOM Index – Publication Database Development
- General Fund
