BIOGRAPHY

Takaaki Kawanaka is currently a lecturer in Institute for Innovation in International Engineering Education, Graduate School of Engineering, the University of Tokyo, Japan. He earned Bachelor Degree of Engineering in Faculty of Science and Engineering from Waseda University, Japan, Master Degree of Engineering in Master course Graduate school of Science and Engineering from Waseda University and Doctor Degree of Engineering in Doctor course Graduate school of Engineering from the University of Tokyo, Japan. His research interests are mainly focused on Industrial Engineering, Management Modeling and Information Security Management.

Hiroshi Yamashita is currently Professor in Department of Commerce, Meiji University, Japan. He earned Bachelor Degree of Engineering in Faculty of Science and Engineering from Waseda University, Japan, Master Degree of Engineering in Master course Graduate school of Science and Engineering from Waseda University, Doctor Degree of Engineering in Doctor course Graduate school of Science and Engineering from Waseda University and Doctor of Commerce from Meiji University. His research interests are mainly focused on Human Resource Management, Management Quality Science and Management Modeling.

Shoichi Kaneko is currently Professor in Faculty of Management Information, Yamanashi Gakuin University, Japan. He earned Bachelor Degree of Engineering in Faculty of Science and Engineering from Waseda University, Japan, Master Degree of Engineering in Master course Graduate school of Science and Engineering from Waseda University. His research interests are mainly focused on Human Resource Management, Management Quality Science and Information Management.
