Biographies

Ramdha Dien Azka is a Master Degree student in Industrial Engineering Department, Faculty of Engineering Universitas Indonesia. He holds a Bachelor of Engineering in Mechanical Engineering from Universitas Brawijaya. Mr. Ramdha currently works in GMF AeroAsia as Business Support. His research and job area are industrial finance, management of quality, and strategic management.

Rahmat Nurcahyo is an senior lecturer in Industrial Engineering Department, Faculty of Engineering Universitas Indonesia.He holds a Bachelor of Engineering degree in Mechanical Engineering from Universitas Indonesia, a Master of Engineering Science degree in Industrial Management from University of New South Wales Austrial and Doctoral degree in Strategic Management from Universitas Indonesua. His research interest in total quality management, production system, lean system and maintenane management. He served as faculty advisor of IEOM student chapter Universitas Indonesia.
