

## Table of Content

First Australian Conference on Industrial Engineering and Operations Management, Johor Sydney,  
Australia, December 20 - 22, 2022

<b>Title</b>	<b>Page</b>
Title	ii
Masthead	iii
Welcome	v
Committee	vi
Table of Content	xxii
Cloud-based technology can revolutionise operational planning at reduced change management cost	1
Green - Lean Practices and Reverse Logistics: Evidence from Manufacturing Industry of a Developing Economy	2
Research of the Impacts on the Hong Kong Office Property Market from Covid19	13
Accelerating A Commercialization of The Innovation Technology Using Early Supply Chain Integration: A Case Study the Electric Motorcycle Swap Battery in Indonesia	33
Quality of Customer Service, Lean Service and Agility Tools in the Contact Center of Companies from the Telecommunications Sector: A Review of the Literature	35
A Supply Chain Analytics for The Electric Motorcycle Business with Swappable Battery System – A Descriptive Analytic from the IoT Data	48
Distribution process model based on lean manufacturing and BPM to reduce costs in SMEs in the craft brewing sector	62
Developing Model of Technological Base Interoperability For Collaborating Multivariate-attribute Quality Control in Digital Supply Chain : A Preliminary Study	71
A Framework for Integrating The Product-Consumer Adoption Model of Electric Motorcycle: Preliminary Research	84
A Reverse Logistics Framework of Swap Battery for Sustainable Supply Chain : A Preliminary Research	94
	xxii

Analysis of Yarn Quality Control Using FMEA and FTA Methods to Minimize the Occurrence of Non-Conforming Product (NCP) PT. XYZ	110
Supply Chain Performance Measurement Using SCOR Model in Chemical Industry: A Case Study	120
The Influence of Sound Exposure Onset and Duration to the Hearing Loss Prevalence in Musicians	130
The Quality of Work Life Development at PT Telekomunikasi Selular : An Evaluation	137
Impact of Corporate Coaching and Digital Leadership on Employee Sustainable Performance with Work-Life Integration as Mediating Variable: A Conceptual Framework	148
Resilience and Well-Being Among Young Adults in Jakarta During the COVID-19 Pandemic: A Correlational Study	163
A Study of the Association between the Parameters and Sound Quality of the Designs of Headphone Core	170
Towards developing real-life models: A simulation modelling of an ideal vehicle assembly line using Arena Simulation	171
Increase of productivity in aquaculture farming systems through the implementation of automated technologies and engineering techniques: a systematic literature review	183
Decision making framework to evaluate the performance of libraries: An Indian perspective	194
Implementation of Advanced Technologies: A Meta-synthesis of the Manufacturing Industry	195
Continuation Use of Digital Wallet Using Extended ECM Model in Indonesia	203
Attitude Towards and Intention to Use After Experiencing Autonomous Vehicles: Evidences from Indonesia	217
Improving the Quality of Brake Lining Production of Non-Asbestos 2 (NA2) Type Using Six Sigma Method	231
The moderating role of the lean practices on the relationship between the digital supply chain and performance (A case study of the Indonesian automotive industry)	240
Product Recommendations Using Market Basket Analysis With FP-Growth and Clustering Techniques	250
Foresight in Product Development - A Review on Existing Understandings and Approaches	261
Bi-Objective Model for Multi-Warehouse Inventory for Fresh Produce with Transshipment	272

Extraordinary Strains in Food Supply Chains: A Literature Review on COVID-19 Induced Food Supply Chain Disruptions and Resilience	281
Waste management in the peruvian fishery industry before and after COVID-19. Bibliometric analysis period 2001-2021	294
Bibliometric Analysis of Publications Related to the Production of Furfural from Lignocellulosic Biomass in the Period 2015-2021	305
Decision support for SME entrepreneurs to become SME4.0	314
A review of Blockchain and Cryptocurrency in the South African Banking Industry amid 4IR	320
Cryptocurrency as a Component of the Blockchain in the South African Banking Industry amid 4IR	332
Benefits and barriers to Total Quality Management (TQM): A review in South African Industries	344
Project management-related delays and mitigations to power generation planned turbine maintenance outages	353
An Investigation of the Earphone Design with Regression Analysis	363
PRODUCT DISPATCH WORK PROCESS LINE IMPROVEMENT USING ARENA SIMULATION AND MODELLING: A CASE STUDY	375
THE ROLES OF EMPLOYEE AND MANAGEMENT IN THE APPLICATION OF QUALITY MANAGEMENT SYSTEM (QMS) IN SOUTH AFRICAN MANUFACTURING	389
Dynamic capability from Product Development services in incubated SMEs: A technology management perspective	399
Improving Buildings' Energy Efficiency Through Smart Technologies: Case Study of South African University Residences	407
Exploring the causes of Premature Failures of Water Pipeline Systems in South Africa	417
Increasing Intrapreneurial Orientation Incrementally: The Ingredient and Inspiration Across-Company in Indonesia Financing Industry	429
Exploring Factors Delaying Public Service Delivery in South African Local Government	440
Emotional intelligence and SMEs' performance in the Accra, Ghana	450
Adoption of E-Commerce in Johannesburg Retail Sector	451

Sustainable Development Goals as a Guide for Sustainability Evaluation of Wind Turbine Decommissioning Scenarios Applying an Integrated LCA and DEA Approach	457
Investigating Gender Justice to the Minorities: The case of Pretty Transpuan in Denpasar, Bal	466
The Influence of Information and Service Quality on Employee Performance through Supervision Quality at the Department of Energy and Mineral Resources of South Sulawesi Province	476
The Dynamics of Conflict in Blimbing Market Development Malang City	486
Rewards on Personnel Performance Through Training and Professionalism at the Mobile Brigade Unit of Regional Police in South Sulawesi	498
Improvement of Employee Performance at One Stop Administration Services (SAMSAT) Office in Takalar Regency Through Leadership and Employee Training and Motivation as Mediation Variable	508
New Normal Life Strategy Through Local Indigenous Penta helix Collaboration: Case Study of	516
The Influence of Human Resource Development and Organizational Culture on Public Service Quality through Employee Performance in Central Mamuju District	524
Are Efficiency and Responsiveness Good for Performance? The Mediating Role of Competitive Capability	531
The Influence of Motivation and Competence on Health Care Quality and its Impact on Patient Satisfaction in Hospital Emergency Room (IGD) in Majene Regency	533
Policy Design for Poverty Reduction in Jember Regional Coordinating Body	542
User Responses of Agricultural Product Applications in the Era of the Covid-19 Pandemic as Part of A Digital Community in Indonesia	552
The Role of Parents' Knowledge, the Environment on Student Behavior and Its Impact on Dental and Oral Health in the Work Area of the Public Health Center in Central Mamuju	565
Competence and Job Placement on Job Performance through Job Satisfaction in the Office of the XIX Region Land Transportation Management in South Sulawesi	577
Compensation and Supervision on Job Satisfaction through Work Discipline of Regional Contract Workers at the Regional General Hospital of Central Mamuju Regency	585

Health Facilities and Competence on Service Quality through the Performance of Health Workers in the Regional General Hospital of Central Mamuju Regency	593
The Role of Women in Tourism in Sade Illage, Lombok, Indonesia	600
Galvalume Composite Concrete Panel Puzzle With Iron Reinforcement	602
Three Simulation Cases of Automated Warehouse Picking Systems: A Comparative Analysis	613
Carbon Footprint Reduction During the Wire Drawing Process at an Electrical Cable Manufacturing Company	625
Determinant factors for the restaurant sector since the COVID-19 pandemic. The Peruvian case.	637
Active Tolerance Among Religious People Based on Local Genius in Social Practices of The Sukodadi Community	650
Adaptation of Muhammadiyah Members to the Religious Tradition of Nahdlatul Ulama Gorontalo	659
Knowledge and Satisfaction of Nursing Services through Community Response to Immunization Coverage in the	668
Employee Competence and Innovation on Employee Performance through Compensation Scope of Development Planning Agency at Sub-National Level Bulukumba Regency	676
The Effect of Locus of Control and Competency on Medical and Paramedic Functional Performance through Motivation in The Center of Veterines Maros	686
Cross-Sector Coordination of Village Community Social Institutions and Agricultural Intensification	695
Compromise: Social Interactions of Political Elites Build	707
Covid-19 Pandemic and Identity Negotiation (Phenomenological Study about Mapur’s Social Resilience in Bangka – Indonesia)	717
Covid-19 Multidimensional Poverty and Semi-Urban Women’s Resilience in Malang City East Java	724
Information Uncertainty during the Indonesian Pandemic: Sociological Perspectives	734
Intersectionality Regulations for Handling Crisis of Women Trafficking during the Pandemic	747
The Influence of Human Resource Management and the Work Environment on Employee Performance through the Quality of Human Resources at the Regional Secretariat of Bantaeng Regency	757
Professionalism Analysis of the Discipline and Performance of Police Officers at Polres Jenesponto	767

Competence and Rewards on Employee Performance through Motivation at the Sultan Daeng Radja Regional General Hospital Bulukumba Regency	776
Work Capability with Work Environment Management and the Effectiveness of Education and Training on Civil Servant Performance	784
Leadership Style and Organizational Culture on Employee Performance Through Motivation in PT. Angkasa Pura 1 Unit Airport Rescue and Fire Fighting Sultan Hasanuddin Maros International Airport	792
Service Quality and Nurse Performance on Patient Loyalty with Patient Satisfaction as Moderation Variables at Lasepang Health Center Bantaeng Regency	803
The Workload of Police Personnel in the Professional and Security Sector of the Southeast Sulawesi Regional Police	810
Analysis of the Effect of Health Promotion and Personal Hygiene on Covid 19 through Physical Distancing in Central Mamuju Regency	817
Islamic Boarding Schools and Sanitation Problems	830
Masculinity Representation of BTS Fans Through Instagram Social Media	840
MOPO'A HUTA RITUAL; The Resistance of Maize Peasants toward Agropolitan Program	847
Difable Women: Marginalized Identities	858
The Power Relation of Rural Governments in Developing Indonesian "Unicorn Village": Study Case in Sleman and Badung	866
Political Alms: Patronage Practices in the 2019 Legislative Election in South Sumatra	878
The Challenges Opportunities and Strategies to Strengthen the Social Enterprise Resilience during Covid-19 Pandemic (A Case Study of Three Social Enterprise Organizations towards Community Empowerment in Indonesia)	890
Clean and Healthy Public Toilet in Amenities Development in Surakarta Tourist Destinations	899
Revisiting Indonesian Youth Nationalism in the Indonesia-Malaysia Borderland	907
The Role of Religious Leaders In HIV/AIDS Prevention and Management: Study in Malang City	915
Comparative Study of Industry 4.0 Readiness Measurement Tools of Indonesian Company: INDI 4.0, IMPULS and SIRI	926

The Impact of Total Productive Maintenance on Performance in The South African Food Manufacturing Industry	937
The Effect of Village Fund Allocation and Village Funds on Increasing the Welfare of Village Communities through Performance Management in Jeneponto Regency	949
Analysis of Transformational Leadership on Civil Servant Performance through Public Service Motivation and Human Resources Capacity (Study at the Office of the Ministry of Religion Bulukumba Regency)	957
Analysis of Social Assistance Grants for Improving Community Welfare in West Sulawesi Province	964
Analysis of Electronic Procurement of Goods and Services in Central Mamuju Regency Government	974
The Influence of Mother's Knowledge Attitude and Education Level on Maternal Toddler Participation in Integrated Service Post Activities	983
The Effect of Training and Competence Work Discipline on Improving the Performance of State Civil Apparatus at the Regional Secretariat of Jeneponto Regency	989
The Impact of Digital Marketing and Customer Perception Value Through Customer Satisfaction on Customer Loyalty at PT Catur Putra Harmonis Alauddin of Makassar Branch	996
The Role of Bureaucracy and Implementation of Educational Policies on Organizational Performance Through Service Quality	1006
The Influence of Work Environment and Compensation on Employee Performance Through Job Satisfaction in the Office of the Regional Financial Management Agency Bantaeng Regency	1016
The Influence of Human Resources Competence and Compensation on Job Satisfaction Through Excellent Service at Lagaligo Hospital I in East Luwu Regency	1024
Digital Education About Vaccination in Managing The Spread of Covid-19 in Tawangrejo Village Communities Through Social Media Facebook	1031
Transnationalism of Sebatik Island Malaysia-Indonesia: A Regional Economic Integration Perspective	1037
	1048
Virtual Tour “Batik Tiga Negeri” As Innovation of Tourism Sustainability During the Outbreak of Covid-19 In Lasem Rembang Indonesia	1056

Why do Preparedness and Response to Covid-19 Pandemic Need Community Development Approach: An Experience from Indonesia	1065
The Resilience of The Tablighi Jamaat During Covid-19 Period	1073
Regional Government Design During the Pandemic: The Challenges Toward Agile Governance in East Java Indonesia	1082
The Conflict in the Iron Sand Mining Construction in Yogyakarta (A Study of the Society's Social Movement Against the Iron Sand Mining Construction Project)	1091
Challenges of Party Autonomy to Party Institutionalization: A Case of Internal Party Conflict	1103
Civilizing Process of Football in Indonesian Schools	1110
Empowering Digital Twin for Production Operations with Deep Learning: A Case Study	1120
Designing Project Risk Contingency using Tornado Diagram	1133
A Heuristic Solution Method for Solving Job Shop Scheduling Problems Considering Crane Interference	1141
Investigating Relationships between Digitalisation and Warehouse Performance: An Application of fsQCA Approach	1143
A Heuristic Solution Method For School Lunch Menu Optimization Problem Considering The Frequency Of Ingredients and Dishes	1151
Order Picking Optimization in O2O Supermarkets with Customer Interference	1153
A Model for Production Possibility Frontier of an Enterprise using Multi-Objective Optimization Approach	1154
Fecal Coliform Reduction Management in Manila Bay Bathing Beaches: A Case Study in the Philippines	1161
Application Of Lean Six Sigma Methodology In Defect Reduction: A Case Study Of Kalahari Ash Salt Bagging Plant	1167
Increased production of a Peruvian SME sleepwear manufacturer through a model integrating Lean Manufacturing and Systematic Layout Planning	1178
Lean-TPM based production model to increase the efficiency of the finishing process in textile companies	1190
Using System Dynamics Modeling to Improve the Financial Performance of Rural Hospitals	1202
Warehouse Management Model Based on Lean Manufacturing to Reduce the Incidence of Ceramic Tiles Breakage in the Retail Sector	1204

Industry Revolution 4.0: The Challenges in Oil and Gas industry in Saudi Arabia	1217
Circular Economy Information in Climate-related Disclosure	1233
PERFORMANCE MEASUREMENT OF GAS STATION IN INDONESIA BASED ON OWNERSHIP STATUS USING TWO-STAGE DATA ENVELOPMENT ANALYSIS	1235
Customer Segmentation to Design the Supply Chain Network on GIS Map using Unsupervised Machine Learning	1242
Failure Modes and Effects Analysis (FMEA) in Indonesia's Construction Project through Lens of Improvement and Decision-Making Strategy	1244
Study of Advanced Car Design for Vehicles of 2030 using virtual reality technologies	1257
The Influence of Bidikmisi Scholarships and Learning Environment on Learning Achievement through Student Motivation at Private College	1270
The Effect of Training and Motivation on Job Satisfaction Through Employee Self-Efficacy at the Regional Secretariat of Bantaeng Regency	1278
The Effect of Compensation and Discipline on Performance Through Employee Work Motivation at the DPRD Secretariat in Soppeng Regency	1287
Reward and Individual Ability on Employee Performance Through Job Satisfaction at the Office of the Human Resources Development Agency of South Sulawesi Province	1296
Incentives and Work Ability on Job Satisfaction through Performance	1307
Analysis of Facilities and Infrastructure Management Its Impact on Student Learning Outcomes Through Quality of Learning in the Madrasah Working Group (KKM) State Aliyah Madrasah 1 Bulukumba	1314
Analysis of Human Capital on Teacher Performance Through Discipline and Professionalism in the Technical Implementation Unit of State Senior High School 5 Jeneponto	1322
The Effect of Interpersonal Communication on Performance Through Work Teams and Organizational Commitments of the Office of Education and Culture in Bantaeng Regency	1330
Importance of Artificial Intelligence in Technology Project Management	1337

Managing Complex Geometries through Rhinoceros: Voronoi cells	1344
Does Human Resources Management (HRM) Practices impact on Seaport Competitiveness?	1354
Knowledge Management in Disaster Preparedness: An Analysis of 7.0 Magnitude Earthquake in 2022 Luzon Philippines	1363
The Effect of Blockchain Technology on Hospital Supply Chain Performance	1372
Success Model of Cloud-Based ERP using Six Sigma Method	1381
Analysis of Digitalization Service Quality of Fuel Petrol Station in Indonesia Using SERVQUAL Integrated BWM	1394
FOQUS (Focus And Quota Saver) Application for Effective Learning in Online and Digitalized Classroom (A Study Case in SDS Yayasan Pembangun Didikan Islam)	1401
Analyzing the Price Strategy of Closed-Loop Supply Chain, Carbon Emission Policy and Game Theory Perspective: A Systematic and Bibliometric Review	1403
Development of Performance Prediction Model of Deep Neural Network-Based Solar and Air Source Heat Pump Convergence System	1416
Home Health Care Operations Management: A Review	1422
Relationship of Supply Chain Integration and Supply Chain Risk Management among Malaysian Small and Medium Enterprises	1435
Relationship of supply chain integration and supply chain risk management among Malaysian Small and Medium Enterprises.	1440
A Mental Workload Assessment of Jeepney Drivers on the Tanay-Siniluan Route in Tanay, Rizal	1442
Workload Assessment of Online Classes on Teachers in Technological Institute of the Philippines - Manila	1454
Fundamental Analysis of Cryptocurrency Price Fluctuations; A Socio-Economic, Political and Psychological Approach	1466
A Cross-National Examination of the Newsvendor Behavior	1474
Can Hexaco-100 Personality Inventory Predict Newsvendor Behavior?	1483
IDeS method applied to the concept of a sports car	1492
Effects of Hexaco Personality Traits on Contracting Behavior	1507
Aligning Education and Workforce Training with Industry needs: A perspective on human capital development	1514

Critical Success Factors Addressing Covid-19 Pandemic: Case of Tawakkalna Application in Saudi Arabia	1520
Effect of Deploying Routing and Facility Location Methods on Power Transmission to Increase the Reliability of the Power Network and Minimize the Total Logistics Cost	1536
A Social Media Analysis of the Prevalence of COVID-19 on Public Transit Ridership in the United States	1547
Analysis of Green Marketing and Hotel Atmosphere on Purchase Decisions Through Customer Purchase Interest at Risata Bali Resort & SPA Tuban Bali	1549
Work Capability with Organizational Culture and Time Management on State Civil Apparatus Performance at the Community and Village Empowerment Service of South Sulawesi Province	1556
Work Discipline and Job Promotion on Employee Performance through Motivation of PT Saptasaritama Makassar	1567
The Effect of Education and Economic Ability on Elderly Care Through Health Services in the Durikumba Health Center Work Area Karossa District Central Mamuju Regency	1576
The Influence of Professionalism Competence on Employee Performance Through Education & Training (DIKLAT) in Class I Correctional Center (BAPAS) Makassar	1584
The Effect of Training and Incentives on Employee Performance Through Work Productivity at the Public Health Center in Bissapu Sub-district Bantaeng Regency	1591
The Effect of Psychological Capital on Performance Through Work Capability and Soft Competence of Sub-District Employees in Jeneponto Regency	1599
The Effect of Exercise Habits and Low-salt Diet on Blood Pressure Control and Its Impact on The Quality of Life of Hypertensive Patients	1607
Analysis of Training and Development on Performance Through Professionalism and Hard Skill Competence for Civil service Police Unit in Jeneponto Regency	1616
The Effect of Regional Original Income (PAD) Balancing Funds on Economic Growth through the Human Development Index (IPM) in Central Mamuju Regency	1625
Smartphone-Assisted Language Learning: A Breakthrough for English Learning Autonomy	1634
The Plurality of Vesak Celebrations at Borobudur and Sewu Temples	1641

Development of Solar Power Generation Prediction System using Artificial Intelligence	1649
Workers Clustering Based on Their Feeling toward Downward Social Comparison	1655
Analysis of Research Trends in Artificial Intelligence and Healthcare Convergence using Text Mining Techniques	1657
Building models to predict the diagnosis of emergency department patients using Artificial Neural Networks	1666
Developing Models Based on Machine Learning Algorithms to Estimate Medical Staffing Needs at Intensive Care Units	1680
Applying Prediction Models Based on Ensemble Machine Learning Algorithms to Estimate Resource Requirements at Healthcare Centers	1693
Predicting the Number of Emergency Department Patients with Forecasting Models Based on Machine Learning	1705
Bibliometric Analysis on Mathematical Modeling Research of Dengue Disease Control with Wolbachia	1719
Design of Preventive Healthcare Services: A Brief Review	1732
Emergency Medical Service Station Location-Allocation and Sizing Problem for Istanbul	1744
Short Term Consumer Credit Interest Rate conundrum and the ineffectiveness of Policy Regulatory Intervention	1753
A STUDY OF THE EFFECTS OF CRYPTOCURRENCY USAGE ON MONEY LAUNDERING AND TAX COMPLIANCE IN ZAMBIA	1771
End-to-End Enterprise Visibility Software Packages	1780
Backlog of Container Ships at Los Angeles Ports	1787
Identifying Critical Success Factors for Effective Capital Structure in Infrastructure Projects under Public-Private Partnership	1793
Quantification of the Strategic Fit Between Process Choice Criteria and Production Systems	1804
How North Sumatra is Dealing with Covid-19 (An Overview of Communications Management)	1805
Government Policy on Tourism Management in Situngkir Village Pangururan District Samosir Regency North Sumatra Indonesia	1814
Media Reconstruction of Brawl Between Residents in Belawan	1823
The Effect of Property Based Resources, Knowledge-Based Resources, and Dynamic Service Performance Capabilities on Hotel Market Performance mediated by Integrated Marketing Communication	1832
Antecedents of Behavioral Intention Indonesian Cruise Passengers to Travel on Cruise Ship	1845

Comparative Mental Workload Assessment of Work Arrangements for Call Center Agents	1856
Practice Makes Perfect: New Empirical Data and Statistical Analysis to Test Preconceived Notions	1869
How Does Personality Affect Revenue Management Decisions?	1877
Study on Electric Vehicle Policy in Indonesia	1878
Innovation Management in Functional Food Products for the Prevention of Stunting as a Dissemination of Research in LIPI	1885
Engineering Management in Australia: a Overview of Current Practices	1898
Ensemble Classifier with Missing Data in Control Chart Patterns	1908
Analyzing Challenges to Utilizing Renewable Energy in the Context of Developing Countries: Policymaking Implications for Achieving Sustainable Development Goals	1917
Prognostics and Health Management on MASTER-T Radar Maintenance Using Failure Mode Effect and Criticality Analysis Method to Predict Critical Failures and Extend Life	1930
Human Resources Competence as a Link to the Effect of Strategic Planning on Company Performance the Regional Drinking Water Company	1941
An Effects of Social Media on High School Students during the Covid-19 in Indonesia	1947
Student Perceptions of Catcalling Activities and Background Factors in the Campus Environment	1954
Analysis of Factors that Influence Employee Performance Dissatisfaction at UD Tito Medan	1964
Public Service Management for Art Activists at the North Sumatra Cultural Park	1973
Characterization and Prediction of Laser Cladding for Digital Twins	1983
Implementation of the Six Sigma Methodology to improve the process performance in a MYPE	1985
Literature review study of Moroccan SME's Internationalization	1998
The Contribution of Environmental Commitment On Business Sustainability, Circular Economy Implementation, and Competitive Advantage	2000
Organizational Carbon Footprint: A Case of Study in an Electrode Company	2014
A Product Network Analysis Using A priori Algorithm for Extending the Market Basket in Retail	2025

Use of a Machine Learning model for the reduction of BackOrders in the Cross Docking sales process for the Homecenter Order Service	2035
Determinants of Big Data Adoption: An Empirical Study on Sri Lankan Firms	2046
Comparative Analysis on Cost and Benefit of The Rejected Brine Valorization Technology for Sustainable Brine Management: An Indonesia Case Study	2057
Impact of Petroleum on National Debt as a Decomposed General Macroeconomic Theory Non Linear Stationary Markov Switch Process	2066
Optimization of the bicycle assembly process by applying tools Lean Manufacturing: A Case Study	2078
Implementation of Construal Level Theory (CLT) on Indonesian Customers toward Domestic as well as Overseas Online Shopping	2087
Multiple Regression Analysis on the Physical and Perceived Attributes of Quezon City Free Bus Service to Passenger Satisfaction	2098
Cross Docking Distribution System Design	2110
A Socio-Technical System for Rural Community Engagement: the Gwakwani Project	2121
Determination Weight Prioritized of Multi-attribute Decision-Making for Diversification Product in Pangasius Agro-industry	2131
Organizational Excellence and Agility: A Correlation Model	2145
An Investigation of the Risk Factors Affecting Financial Sustainability in Non-Governmental Organizations (NGOs): A Case Study of Lusaka NGOs	2157
A Multi-Criteria VA/VE Design Case Study for fabricating Stainless Steel Equipment 304 and 430	2168
VA/VE in optimizing the process of Semiconductor Industry in the Philippines	2182
Development of Integrated Electronic Waste Management System Strategies in Indonesia	2190
Analysis of the Implementation of the SMED Methodology to Reduce Machine Setup Times and Die Change in the Food Industry: A Literature Review	2201
A Review of Food Supply Chain Management (FSCM) Based on Bibliometric Analysis	2213
Simulation Analysis of a Military Casualty Evacuation System	2223

Designing an Information System for Jewelry Manufacturing Raw Material Needs with an SDLC Approach: A Case Study	2234
A Comparative Analysis of Knowledge Sourcing Strategies and Innovation: Manufacturing Firms in High- and Middle-Income Countries	2246
Business Process Analysis in Continuous Airworthiness Management in the Low-Cost Carrier Airline in Indonesia: A Case Study	2261
Employee Engagement and Satisfaction, Culture and Workload as Four Influencing Factors that Affects the Productivity and Work Performance Efficiency of Warehouse Workers in Taytay, Rizal.	2267
Therapeutic Landscape and Its Impact on Restorative Experience and Health Perception	2285
Bibliometric analysis of publications related to the implementation of agile methodologies in project management in IT companies, in the period 2010-2021	2294
Why Is the Variation of Weather Insurance Index Adoption/ Uptake Exhibited as Such Among Small Holder Farmers; Testing the theory of Technology Adoption if it applies. Case of Zambia	2304
Use of Assistive Walking for Elderly from Viewpoint of Bibliometric Trend Analysis and Systematic Studies Study	2317
Assessment of Assignment Problem using Hungarian Method	2328
Development of a Cost-Effective Cyber-Physical Production System for the Make-to-Order Industry	2339
A Systematic Review of the Implementation of Lean Six Sigma Tools to Improve the Logistics of Retail Businesses	2349
Investigating the customer satisfaction on food quality, service and environment facility of restaurant X using food hygiene perspectives	2362
Improving MSMEs Operational Performance: the Role of Knowledge Management and Product Innovation	2369
The Role of Supply Chain Agility in Mediating the Effect of Knowledge Sharing Innovation and Absorptive Capacity on Competitive Advantage	2377
Machine Learning Applied to Milk Sample Classification	2390
Sterilizer Box Design for Online Store Courier Services	2399
Prediction of Peruvian companies' stock prices using Machine Learning	2404
An Assessment of the Potential to Recover Gold from E-waste as a Waste Management Initiative	2415

Challenges in Automation - A review	2431
Active Learning with Cooperative Learning Model on Learning Outcomes Through Student Learning Motivation	2439
Compensation and Work Culture for Lecturer Performance Through Organizational Climate	2448
Competence Soft Skill in Teacher Performance through Teacher Creativity	2455
Competencies and Incentives Through Teacher Performance to Improve Student Learning Outcomes	2462
The Implementation of Artificial Intelligence in Indonesia's Public Service: Challenges and Government Strategies	2471
Competency Development on Investigation Performance through Work Creativity Responsibilities and HR Capacity	2481
Competency Management on Satisfaction Work Through Career Development and Quality Work	2490
Contribution of Blended Learning with Learning Facilities with Improved Learning Achievements through The Motivation of Junior High School Students	2498
Education and Leadership Training in Improving Competence and Performance of Employees of the Human Resources Development Agency	2507
Effectiveness of Farmer's Work with Agricultural Facilities with Extension and Its Effect on the Production Results of Farmer Group	2516
Effectiveness of Training on Teacher Performance through Soft Competencies and Teacher Capabilities	2524
Comparing Segmentations Based on Clustering Algorithms to Classify Patients of Intensive Care Units	2533
A Review on Optimal Planning While Constructing EV Charging Stations	2542
Challenges In Implementation of Critical Path Method-A Review	2552
Challenges in Project Initiation	2561
Cloud computing task scheduling problem by Nondominated Sorting Genetic Algorithm II (NSGA-II)	2570
What did I forget? An investigation into refresher training intervals for a multi-skilled maintenance workforce	2572
Gentle and Energy-Efficient Pneumatic Conveying of Solids	2584
Design and Implementation of a Smart Transducer System Prototyping of a Micro-controller Based Intelligent Electrical Equipment Theft Detection Methodology	2586
Implementation of Agile Management in Construction Industry: A Perspective Towards Existing Structures	2594

Supply chain practices in a South African manufacturing SME	2596
Mapping of 4.0 Industry Revolution Enabling Technologies	2606
Corporate Compliance Approach to Discrimination-Free Workplace	2615
Facilities and Employee Competence on Patient Waiting Time through Quality of Service at the Outpatient Installation	2628
Facilities and Employee Competencies Towards Public Satisfaction Through the Quality of Public Services	2640
Health Workers' Capabilities on The Incompleteness of Basic Immunization through The Performance of Health Promotion and Parental Knowledge	2650
Human Relations and Physical Environmental Conditions on Work Ethic and Performance	2659
Human Resource Development and Motivation for Performance through Work Discipline of State Civil Apparatus	2671
Knowledge Management Analysis on the Performance of Logistics Personnel through Social Capital and Work Capabilities	2679
Learning Methods and Learning Environment on Students' Interest in Learning through Learning Quality	2691
Lecturer Motivation and Certification on Lecturer Performance through Job Satisfaction	2700
Management Functions and Work Motivation on Patient Satisfaction through Nurse Performance	2709
Nurse Performance in Covid-19 Pandemic Situation	2716
Officer performance in the field of Stewardship and Supporting Health in Fire Handling	2727
Organizational Culture and Education in Training against Job Satisfaction through Work Discipline and The Procurement Section	2734
Organizational Culture and Work Capability on Employee Performance through the Effectiveness of the Performance Improvement Forum	2744
School Culture and Principal Leadership through Teacher Performance on Learning Achievement of Elementary School Students	2752
School Environment and Parents' Motivation on Learning Outcomes through Student Learning Behavior at UPT Vocational Schools	2759

A Multiple Regression Analysis of Academic Workload, Stress Level, Procrastination, and Academic Performance of 4th year Architecture and Industrial Engineering Students A.Y 2022-2023	2769
Resilience and Sustainability Supply Chain Network Design: A Systematic and Bibliometric Review	2771
Evaluation of the circular economy in the supply chain of mining industries	2788
Contact Mechanics for a Ball Dropped on an Infinite Plate, an Update	2795
Evaluating the engine's efficiency after converting an internal combustion engine into an advanced high-performance Serial/Parallel hybrid powertrain	2805
Achieving Data Driven Decision-Making Quality Through Digital Leadership And Organizational Optimization.	2818
School Environment and Parents' Motivation on Learning Outcomes through Student Learning Behavior at UPT Vocational Schools	2828
Teacher Quality and the Role of Parents on Student Achievement through the Quality of the Learning Process	2836
The Effect of Counseling Methods on Covid-19 Prevention through Personal Hygiene and Social Distancing in the Work Area	2847
The Effect of Service Quality with Facilities on Patient Satisfaction through the Image of Public Health Centre	2857
The Effect of Tangible and Assurance Factors on Patient Loyalty through Patient Satisfaction in the Inpatient Unit of Datu Pancaitana Hospital Bone Regency	2865
The Effect of the Lecture Plus Method and the Role of Parents on Student Learning Outcomes through the Quality of the Study Learning Process	2874
The Influence of Competence Communication and Motivation on the Employees of the Postgraduate School of University Hasanuddin Makassar	2884
The Influence of Facilities and Service Quality on Interest in Reusing Health Services through Patient Satisfaction	2892
The Quality of Human Resources on Good Governance through Technology Mastery and Work Employees Creativity	2902
The Work Environment and Information Technology on the Performance of Outsourcing Personnel through Motivation	2911

Training and Work Discipline to Improve Individual Quality and Employee Performance of the Population and Civil Registration Office	2923
Transformational Leadership Style and Soft Skills Competencies to Employee Performance through Work Effectiveness	2931
Blockchain Technology for Sustainable Supply Chain Management Systems	2940
Sustainable Supplier Selection Using Fuzzy Multi-Attributive Border Approximation Area Comparison (F-MABAC) in Chemical Industry	2949
Human Resources and Sustainable Product Innovation Performance with Employee Creativity Mediating SME Sustainability	2958
Quality Testing of Shuttlecock SME Products to Improve SNI Certification in Indonesia	2968
The Contribution of Service Climate and Service Culture To Service Performance: A Survey on Nadzir In Cirebon Indonesia	2978
Detection of Micro-scratch Found on Surface of Steel Filament Using Eddy Current Sensor	2988
Introduction of Virtual Reality Therapy Exposure for Undergraduate Students with Anxiety during the Covid-19 Pandemic based on EEG Signals	2998
Dynamic Model of Sustainable Development for a Coffee Supply Chain	3008
Strategy Design to Improve Safety on Electronic Manufacturing	3020
Implementation of Anti-Bribery Management System Designed to Mitigate Bribery Risk in State-Owned Enterprises: A Case Study of Indonesia Agribusiness Industry	3026
The Investigation of Virtual Social Networks (VSN) and Positive EWOM on Purchase Intention: The Role of Trust and Time Flow	3035
Intuitionistic Fuzzy Marcos Method for the green supplier selection problem	3045
REBA and RULA Evaluation On Cashier: A Case Study	3061
Factors Affecting Online Learning Satisfaction among Students in Higher Learning Institutions: an Indonesian Study	3071
THE EFFECT OF SPLIT SLEEP ON FATIGUE BASED ON THE OCULAR INDICATOR: A TRAIN SIMULATOR STUDY	3083

Family Control and Good Governance: Does It Affect Firm’s Performance?	3094
The Assessment Model to Rank Applicants for Research and Development Job Position in PT ABC	3102
Manufacturing Coordination Analysis: The Role of Market Intelligence Quality and Supply Chain on Product Innovation Performance	3114
Acceptance Model to Use Household-Furniture of Scrap Wood Material	3126
Lead Time Loading Dock Reduction in Refined Sugar Company for Continuous Improvement	3131
Personality Traits in Supply Chain Contracting	3144
Medium-Term Capacity Planning in Servuccion Systems: Case Study specialized Outpatient Medical Services	3155
Perceived Impact of HyFlex Online Class on the Academic Performance of Graduating Engineering Students	3168
Comparative Evaluation Unity and Unreal, using Nielsen's 10 Heuristics as an Evaluation Parameter	3169
Comparative Analysis of COVID-19 Infected Information Sites	3176
Problems and response actions of the food supply chain against Covid-19: a SRL	3183
Are the knowledge and skills achieved by students through the university study congruent with their future career choice?	3199
The Ecosystem and the Business Model Canvas of Mobile Battery Swap Charging Station for electric motorcycle	3208
Young Generation's Perception and Buying Reasons of Electric Bicycles	3210
Young Generation's Perception on Electric Car’s Design	3215
Relocation activities for the development of employment and competitiveness situations	3219
