Biographies

Dr. Mohammad Iqbal is currently serving as a Professor at Shahjalal University of Science and Technology (SUST) under the Department of Industrial and Production. Professor Iqbal obtained his Bachelor of Technology (Mechanical) from Sri Venkateshwara University, College of Engineering, Tirupati, Andhra Pradesh, India and M.Sc. Engineering from the department of Industrial and Production Engineering, BUET, Dhaka in 1989 and 1993 respectively. He received his Ph.D. from Dublin City University, Dublin, Republic of Ireland in 2000. He is the founder lecturer of the Department of Industrial and Production, SUST. He has 30 years of industrial, research and teaching experiences. Professor Iqbal's present research interest includes Virtual Reality, Ergonomics, Industrial safety and risk management, Supply chain management, Renewable energy and Production system analysis and Climate change and environment. He has more than 100 International publications in conference proceedings and peer review journals. He is a co-author of three engineering books namely Surveying, Engineering Materials and Industrial Health, Safety & Welfare. He is a life member of the Institution of Engineers, Bangladesh. He was the honorary secretary of the Institution of Engineers Bangladesh (IEB) Sylhet Centre, Sylhet, Bangladesh during 2018-2019. Dr. Iqbal was the Conference Chair of IEOM Society -Bangladesh Chapter held in December 2019. He was the Chair of IEOM Society – Bangladesh Chapter from March 2018 – February 2020. He has been involved in several research projects funded by the Ministry of Science and Technology, Bangladesh and SUST Research Center, Shahjalal University of Science and Technology, Sylhet, Bangladesh. Professor Iqbal received International and National Awards on research papers presented at different International Conferences home and abroad.

Rafid Ahmed Chowdhury is an undergraduate student of the Department of Industrial and Production Engineering at Shahjalal University of Science and Technology, Sylhet-3114, Bangladesh. His research interests include ergonomics, operation management, supply chain management, quality management and manufacturing. At present Rafid Ahmed Chowdhury is involved in a research project with Professor Dr. Mohammad Iqbal, Department of Industrial and Production Engineering at Shahjalal University of Science and Technology, Sylhet-3114, Bangladesh.

Md. Isfar Khan is an undergraduate student of the Department of Industrial and Production Engineering at Shahjalal University of Science and Technology, Sylhet-3114, Bangladesh. His research interests include ergonomics, product design, operations research, simulation, production system optimization and reliability. At present, Md. Isfar Khan is involved in a research project with Professor Dr. Mohammad Iqbal, Department of Industrial and Production Engineering at Shahjalal University of Science and Technology, Sylhet-3114, Bangladesh.
