Biographies

Authur Bobo is a Chemical and Process Systems Engineer from Harare Institute of Technology.

Prof. Mercy Manyuchi is a Professor in Chemical and Metallurgical Engineering at the University of Johannesburg in South Africa. She holds a Doctorate Degree from Cape Peninsula University of South Africa, a Master of Science Degree from Stellenbosch University and a Bachelor of Engineering Honors Degree from Zimbabwe. Her research interests are in waste to energy technology, mining waste management, engineering management, value addition of waste biomass and renewable energy technologies.

Prof. Nita Sukdeo is the Head of Department for the Department of Operations and Quality Management, in the Faculty of Engineering and the Built Environment at the University of Johannesburg. Her research interests are in
