

Welcome to the 7th Asia Pacific International Conference on Industrial Engineering and Operations Management Bangkok, Thailand, March 25-27, 2026

To All Conference Attendees:

IEOM Society International is organizing the 7th Asia Pacific International Conference on Industrial Engineering and Operations Management, Bangkok, Thailand, March 25-27, 2026. The host is Thammasat University. The venue is at the Novotel Bangkok on Siam Square.

This year's conference focuses on key and emerging areas, including artificial intelligence, digital manufacturing, supply chain management, Industry 4.0, the Internet of Things (IoT), lean systems, Six Sigma, simulation, data analytics, automation, and interdisciplinary research. The event serves as a global platform for academics, researchers, and practitioners to exchange ideas, share innovations, and explore recent advancements in the broad field of Industrial Engineering and Operations Management.

The conference aims to foster collaboration, networking, and joint initiatives among participants, advancing both the theory and practice of IEOM while identifying major trends and future directions in the discipline. We are pleased to share that the conference received 490 submissions from 40 countries, with 300 papers and abstracts accepted for presentation.

This conference will address many contemporary issues related to industrial engineering, manufacturing, data analytics, and supply chain digitalization. We are honored to feature a distinguished lineup of keynote speakers who bring global perspectives and expertise to our discussions:

Dr. Britta Gammelgaard, Full Professor in Supply Chain Management, Department of Operations Management, Syddansk Universitet – University of Southern Denmark, Copenhagen, Denmark

Mr. Chalerm Sak Karnchanawarin, Chairman Thai International Freight Forwarder Association (TIFFA), ASEAN Federation of Forwarders Association (AFFA)

Mr. Udorn Kongkakate, Senior Vice President for B2B2C Business, SCGJWD Logistics Public Company Limited (SJWD)

Dr. Somphop Rodamporn, Dean (Acting), Faculty of Engineering, Srinakharinwirot University, Bangkok, Thailand

Dr. Lu Aye, Professor of Energy Engineering, Leader of Renewable Energy and Energy Efficiency Group, Department of Infrastructure Engineering, Faculty of Engineering and Information Technology, University of Melbourne, Victoria, Australia

Prof. Kou Yamada, Graduate School of Science and Technology, Gunma University, Japan

Dr. Jiraroth Sukolrat, Director-General, Office of Transport and Traffic Policy and Planning

Dr. Mohammad Khasawneh, SUNY Distinguished Professor and Director, School of Systems Science and Industrial Eng., Binghamton University, State University of New York (SUNY), New York, USA

Prof. Devinder Kumar Banwet, VC (Founding) UEM Kolkata, Ex HOD DMS IIT Delhi and Fellow IEOM, Global Council Member IEOM

Dr. Md. Saniat Rahman Zishan, Professor & Director, Faculty of Engineering, American International University-Bangladesh (AIUB), Dhaka

Dr. Nagajyothi Koripella, Pro VC, Bharatiya Eng. Sci. & Technology Innovation University (BESTIU), Gownivaripalli, Gorantla, AP, India

Dr. Kullapa Soratana, Dean, Faculty of Logistics and Digital Supply Chain, Naresuan University, Thailand

Dr. Aldy Gunawan, Associate Professor of Computer Science (Practice), Singapore Management University, Singapore

Dr. Yi-Chi Wang, Professor, Department of Industrial Engineering and Systems Management, Feng Chia University, Taichung, Taiwan

Ms. Azhar Jaimurzina Ducrest, Chief, Transport Connectivity and Logistics Section, Transport Division, UNESCAP – United Nations Economic and Social Commission for Asia and the Pacific

Professor Gurmeet Singh, Deputy VC and Vice President, Research and Innovation, University of the South Pacific (USP), Suva, Central, Fiji

Dr. Manukid Parnichkun, Vice President for Academic and Research, Asian Institute of Technology, Pathumthani, Bangkok, Thailand

The IEOM Society International operates in 151 countries and supports 299 student chapters across 60 countries, making it one of the most globally active professional organizations in the field of industrial engineering and operations management. We are deeply committed to promoting student engagement, research excellence, and global collaboration.

We extend our sincere appreciation to our Conference Chair, Professor Ruth Banomyong, for his leadership and dedication, as well as to all sponsors, university and organizational partners, authors, reviewers, keynote speakers, panelists, track chairs, advisors, committee members, and the many volunteers whose efforts have made this international event possible.

We are confident that this conference will be an intellectually stimulating, collaborative, and memorable experience for everyone.

Our very best wishes to all participants for a successful and enjoyable conference in Bangkok and a memorable visit to Thailand.

Professor Ruth Banomyong, PhD
Conference Chair
Professor and Head, Center of Excellence in
Connectivity
Thammasat Business School
Thammasat University
Bangkok, Thailand

Dr. Ahad Ali
Conference Co-Chair
Associate Professor
Director, DEng in Advanced Manufacturing
Director of Industrial Engineering (BSIE & MSIE)
Lawrence Technological University, USA
Executive Director, IEOM Society

Professor Don Reimer
Program Co-Chair
Chief Operating Officer
