

Conference Schedule

Monday, February 2, 2026 - Morning

	Auditorium	Virtual Zoom Room 4
08:00 - 17:00	Registration	8:00 – 11:00
10:00 - 10:30	Keynote: Dr. Mumen Hasan Rababah, Chairman, Dept. of Industrial Engineering, Hashemite University, Zarqa, Jordan	UG Paper Competition
10:30 - 11:00	Keynote: Prof. Khalifa S. Al-Jabri, Professor, Dept. of Civil Engineering, Sultan Qaboos University, Muscat, Oman	UG Research Competition
11:00 - 11:30	Keynote: Prof. Abdelkadir Maqsood, Professor, The Research Institute on, Mines and Environment (RIME), UQAT-Polytechnique, Quebec, Canada	11:00 – 12:00
11:30 - 12:00	Keynote: Eng. Hani Wadatullah Alahdal, HR Center of Excellence VP, STC, Riyadh, Saudi Arabia	Graduate Paper Competition
12:00 - 12:30	Keynote: Prof. Hassan AlHazmi, Group CEO, LADUN Investment Company, Saudi Arabia	12:00 – 14:00
		High School STEM Competition

12:30 - 14:00: Lunch & Prayer Break

Monday, February 2, 2026 - Afternoon

	Breakout Room 1	Breakout Room 2	Breakout Room 3	Virtual Zoom Room 4	Virtual Zoom Room 5
14:00 - 15:30	Artificial Intelligence and Data Science	Sustainability, Green Systems and Energy	Undergraduate Paper Competition Undergraduate Research Competition	14:00 – 16:00 Supply Chain and Logistics	14:00 – 16:00 Engineering Education
15:30 - 16:00	Break				
16:00 - 18:00	Human Factors, Ergonomics, and Healthcare Systems	Lean Six Sigma and Operations Excellence MS Thesis, Sr. Design	Graduate Student Paper Competition Ergo Competition High School Competition	16:00 – 18:00 Simulation, Optimization and HF	16:00 – 18:00 Lean Six Sigma Competition
16:00 - 18:00	Poster Presentation				
18:00 - 20:00	Six sigma yellow belt workshop and exam by Dr. Ahad Ali			18:00 – 20:00 Senior Design Competition	18:00 – 20:00 Posters (Online)

Tuesday, February 3, 2026 - Morning

	Auditorium	Virtual Zoom Room 4
08:00 - 17:00	Registration	8:00 – 11:00
10:00 - 10:30	Opening ceremony	MS Thesis, HF and AI-ML Competitions
10:30 - 11:00	Keynote: Dr. Luis Rabelo, Professor, Industrial Engineering & Management Systems, University of Central Florida, Orlando	
11:00 - 11:30	Keynote: Prof. Dr. Semail ÜLGEN, Chair of Industrial Engineering Department, Antalya Bilim University, Antalya, Turkey	11:00 – 14:00
11:30 - 12:00	Keynote: Eng. Ibrahim Aldakhil, Executive Director, safety & loss prevention, Saudi Electricity Company	Supply Chain and Logistics
12:00 - 12:30	Keynote: Eng. Nasser Mohammad Al Osaimi, Operations Executive Director, Rua Al Madinah Holding, Saudi Arabia	

12:30 - 14:00: Lunch & Prayer Break

Tuesday, February 3, 2026 - Afternoon

	Breakout Room 1	Breakout Room 2	Breakout Room 3	Virtual Zoom Room 4	Virtual Zoom Room 5
14:00 - 15:30	Simulation, Optimization and Productivity	Engineering Management and Entrepreneurship	Sustainability, Green & Energy	14:00 – 16:00 Quality, Reliability and Maintenance	14:00 – 16:00 Optimization
15:30 - 16:00	Break				
16:00 - 18:00	Supply Chain and Logistics	Manufacturing, Assembly and Design	Optimization	16:00 - 18:00 Artificial Intelligence and Data Science	16:00 - 18:00 Sustainability, Green Systems and Energy
18:00 - 20:00	Workshop II by Prof. Dr. Mukti M. Rana, Professor and Director and Principal Investigator, Optical Science Center for Applied Research, Delaware State University, Dover, DE, USA			18:00 – 20:00 Simulation and Optimization	18:00 – 20:00 Eng. Management

Wednesday, February 4, 2026 - Morning

	Auditorium	Virtual Zoom Room 4
08:00 - 17:00	Registration	8:00 – 11:00
10:00 - 10:30	Keynote: Prof. Gamal Elnashar, Dean of the College of Engineering, King Salman International University (KSIU), Egypt	Lean Six Sigma
10:30 - 11:00	Keynote: Eng. Moath Abuaysha, Leading 3D Printing, NEOM, Saudi Arabia	
11:00 - 11:30	Keynote: Dr. Ahmed Azab, Professor, Industrial and Systems Engineering Department, KFUPM, Dhahran, Saudi Arabia	11:00 – 14:00
11:30 - 12:30	Awards Recognitions	Automation and IoT

12:30 – 14:00: Lunch & Prayer Break

Wednesday, February 4, 2026 - Afternoon

	Breakout Room 1	Breakout Room 2	Breakout Room 3	Virtual Zoom Room 4	Virtual Zoom Room 5
14:00 - 15:30	Digital Manufacturing, Industry 4.0 and IoT	Business Management and Supply Chain & Logistics	Sustainability, Green Systems and Energy	14:00 – 16:00 Supply Chain and Logistics	14:00 – 16:00 Entrepreneurship and Innovation
15:30 - 16:00	Break				
16:00 - 18:00	Automation and Robotics	Case Studies and Best Practices	Sustainability, Green Systems and Energy	16:00 - 18:00 Sustainability, Green Systems and Energy	16:00 - 18:00 Digital Manufacturing, Industry 4.0 and IoT
18:00 - 20:00	Workshop III - Innovation & Digital Transformation by Dr. Mohammed Al Awadh, Associate Professor, Department of Industrial Engineering, King Khalid University (KKU), Abha, Saudi Arabia			18:00 - 20:00 Business Management	18:00 - 20:00 AI and Data Science
